

Financial Accountant

Do you want to join the finance team of the fastest growing shipping company in Denmark?

Celsius Shipping offers an attractive position as Financial Accountant. You will become part of a dynamic and challenging environment with a steep learning curve and strong personal development opportunities.

The Company

Celsius was founded in 2012 as a full-service ship owning company focusing on infrastructure investments and special opportunities within the maritime industry. Together with our international equity partners we have built a strong presence in the major shipping segments via timely acquisition of maritime assets. Celsius currently has a fleet of 45+ vessels under management across chemical- and product tankers, container vessels and LNG carriers. The group currently employs approximately 50 onshore employees and more than 1,000 seafarers. Office locations include Copenhagen, Monaco, Hong Kong and South Korea.

The Role

As our new Financial Accountant you will be part of our Finance & Controlling team in Copenhagen. The team works closely with our equity partners as well as other internal and external stakeholders, delivering financial management of our group of companies and valuable insights into the financial performance of our investments.

You will take full responsibility for the financial management of a fleet of vessels. This will include accounting, reporting and cash flow forecasting. You will also contribute to improving processes and developing the Finance & Accounting function.

Key Tasks and Responsibilities

As our new Financial Accountant, you will have a variety of tasks, including:

- Follow-up on annual budgets and periodic forecasts
- Preparation and maintaining of cash-flow analysis as needed
- Accounting/Bookkeeping, including depreciations and accruals
- Management of account payables/receivables
- Monthly bank-, debtor- and creditor-reconciliation

- Continuous improvement of business processes
- Participation in finance-related projects
- Ad-hoc tasks and analysis

Our ideal candidate

- You hold a university degree in Economics or Finance (HD, B.Sc. equivalent)
- Preferably you have a few years experience from a similar position in a shipping company
- Strong analytical and numeric skills paired with a deep understanding of Finance
- Self-motivated, result-driven, structured and proactive
- You enjoy working with all layers of the organization, including our international partners
- You are energetic and maintain an efficient work style
- Ability to work independently and as part of a team
- Excellent communication skills in both spoken and written English, proficiency in a Scandinavian language is preferred
- Experienced and advanced user of MS Excel and PowerPoint
- Experience with Microsoft Dynamics NAV is an advantage

We offer

- A competitive salary package and employee benefits
- An opportunity to work in a dynamic and international environment
- A challenging and rewarding job with a high degree of responsibility
- The opportunity to be part of a successful team with competent and supportive colleagues
- An attractive career path within Finance in the maritime industry
