

General Manager – Funding & Treasury

Celsius Shipping offers an attractive position as General Manager, Funding & Treasury in our head office in Copenhagen. You will join a cross-functional team working with large financial transactions in the maritime industry and become a part of a dynamic and challenging business environment.

Celsius Shipping was founded in 2012 and is a full-service shipping company with a strong growth story. The company has offices in Copenhagen, Monaco, South Korea and Hong Kong.

Celsius Shipping has been one of the most active maritime investors in recent years, and our combined invested capital is currently around USD 4 billion. Together with our international equity partners, we have built a strong presence in the major shipping segments via timely acquisition of maritime assets within Tankers, Containers and Gas.

Celsius is recognized as one of the leading maritime transportation investment platforms through our performance, our people and our commitment to delivering superior value to our partners. We are committed to taking active responsibility for the society and environment we operate in and are continuously working towards making ESG a central part of our strategy – from investments to operations.

To continue our ambitious growth plan, we seek a General Manager to fill a key role in expanding our portfolio of finance institutions and managing and improving current relationships. You will collaborate with multiple stakeholders across the organization and work closely with the CFO to manage international banking and leasing relationships, financial compliance and sourcing of financing for new investments. You will collaborate with our legal counsel and business development team in the execution of financing strategies. Finally, you will coordinate with the accounting and reporting team regarding a broad range of finance related matters.

You will be surrounded by highly skilled and motivated colleagues with a solid track record in their respective positions and become part of the Celsius environment with an unparalleled recent growth story within Danish shipping.

The Position:

We offer a versatile and challenging position with a steep learning curve in a dynamic organization. Tasks will include, but are not limited to:

- Arranging debt and lease financing for Celsius' fleet together with our international equity partners, including sourcing, negotiating and execution of finance documentation
- Maintaining and developing relationships with existing and potential new financiers for Celsius' fleet
- Monitoring trends and new innovative debt sources in international ship financing markets and participate in defining Celsius debt funding strategy
- Cash flow forecasting and optimization of liquidity and cash management
- Monitoring the financial performance of Celsius' portfolio of investments
- Ensuring compliance with financial covenants and undertakings through interaction with all relevant internal and external stakeholders
- Supporting accounting and reporting team in aspects related to financial agreements

The Profile:

- A Master's degree in Economics, Finance or equivalent with top quartile academic credentials
- 2-3 years of relevant work experience within corporate finance, debt capital markets, treasury or similar finance background
- Result-driven and motivated to work with high value transactions in the maritime industry
- Self-starter
- Good understanding of legal wording in finance documentation
- Strong analytical capabilities within finance with a strong understanding of underlying legal framework
- High energy level, attention to detail and willingness to go the extra mile
- Experienced and advanced user of Excel
- Excellent communication skills in both spoken and written English, proficiency in a Scandinavian language is preferred

We offer:

- The opportunity to participate in large scale transactions in the maritime industry together with major international financial institutions
- A competitive salary package and employee benefits
- A dynamic and international environment
- A challenging and rewarding job with a high degree of responsibility
- The opportunity to be part of a successful team with competent and supportive colleagues

- An attractive career path within corporate finance in the maritime industry
