

Legal Counsel

Celsius Shipping offers an attractive position as Legal Counsel in Copenhagen. You will be part of a dynamic and rapidly growing shipping company, working on high-value transactions and legal matters across multiple jurisdictions. You will collaborate closely with senior leadership, external stakeholders, and advisors, playing a key role in structuring innovative deals and supporting the company's global operations.

Celsius Shipping was founded in 2012 and has since grown into a leading maritime transportation investment platform, operating across major shipping segments. With an invested capital of USD 6 billion, we structure innovative transactions, build modern vessels, and advance sustainable shipping solutions. As we continue our ambitious growth journey, we are seeking a Legal Counsel to strengthen our legal function.

You will report to the General Counsel of Celsius and work closely with him to support the business and our partners on a broad range of legal matters, including maritime law, corporate, commercial, claims management, compliance, and financing transactions.

You will be surrounded by motivated, skilled, and experienced colleagues with a solid track record in their respective positions. Furthermore, you will become part of an environment with a unique and unparalleled recent growth story within Danish shipping.

The Position:

- This is a unique opportunity to get a versatile and challenging role with a steep learning curve in a fast-paced international environment. Tasks will include, but are not limited to:
- Reviewing, drafting and negotiating a wide range of commercial agreements and legal documentation.
- Assist in structuring, negotiating, and drafting agreements related to M&A, vessel acquisitions and disposals, financing, and joint ventures.
- Support Celsius' chartering and operations functions in identifying and mitigating legal risks in contracts and the operations of our vessels.
- Managing corporate governance for Celsius entities and our joint ventures, including board meetings and ongoing corporate management support for our partners.

- Developing and maintaining Celsius' compliance framework, covering sanctions, anti-corruption, GDPR, and ESG.
- Overseeing claims management and dispute resolution, working together with external claims handlers, insurers, and counsel.

The Profile:

- A master's degree in law (Cand. Jur. or equivalent) with strong academic credentials.
- 2-5 years of experience from a law firm or in-house role, preferably within shipping, finance, M&A, or commercial law (experience in shipping or maritime law is an advantage).
- High energy level with self-starter mindset, strong attention to detail and ability to manage multiple projects simultaneously.
- Strong commercial mindset with the ability to give clear business-oriented legal advice.
- Ability to work independently and engage directly with senior management, external counsel, and business partners.
- Proficiency in a Scandinavian language and strong verbal and written communication skills in English.

We offer:

- A competitive salary package and employee benefits.
- An opportunity to become part of a high paced, dynamic and international environment.
- A challenging and rewarding role with a high degree of responsibility.
- The opportunity to be part of a successful team with competent and supportive colleagues.
- An attractive career path within the investment side of the maritime industry.
