

Internship – Strategy & ESG

Celsius Shipping offers an attractive full-time position as Strategy and ESG Intern at our office in Hellerup. The maritime industry is undergoing transformative change, with decarbonization at its core, a shifting geopolitical landscape and companies having to navigate an increasingly complex regulatory environment. As an intern in the Strategy and ESG team, you will be exposed to many of the strategic challenges and opportunities facing players in the shipping industry.

Celsius Shipping was founded in 2012 and is a full-service shipping company with a strong growth story. The company has offices in Copenhagen, Monaco, South Korea and Hong Kong.

Celsius Shipping has been one of the most active maritime investors in recent years, and our combined invested capital is currently around 8 billion USD. Together with our international equity partners, we have built a strong presence in the major shipping segments via timely acquisition of maritime assets within Tankers, Containers and Gas.

Celsius is recognized as one of the leading maritime transportation investment platforms through our performance, our people and our commitment to delivering superior value to our partners. We are committed to taking active responsibility for the society and environment we operate in and are continuously working towards making ESG a central part of our strategy – from investments to operations.

We are looking for a Strategy & ESG Intern to join the office in Copenhagen to support the continued growth and strategic development of Celsius. As an intern, you will be involved in various strategy projects across the Celsius organization and will execute on a broad range of initiatives as part of our ESG strategy. You will collaborate with multiple stakeholders across the organization and work closely with Celsius' Head of Strategy and ESG.

You will be surrounded by skilled and motivated colleagues with a solid track record in their respective positions and become part of the Celsius environment with an unparalleled recent growth story within Danish shipping.

The position:

We offer a versatile and challenging position with a steep learning curve in a dynamic organization. Tasks will include, but are not limited to:

- Prepare quarterly and annual ESG reporting to Celsius' partners
- Help prepare Celsius' annual sustainability report
- Prepare, launch and analyze results of Celsius' various stakeholder surveys
- Create material for Celsius' quarterly ESG meetings and Townhalls
- Be responsible for tracking Celsius' KPIs and prepare periodic performance updates for management
- Contribute to building up an internal knowledge base around key sustainability areas within the maritime industry and ensure that Celsius stays on top of trends and regulatory developments
- Participate in various strategy projects across the Celsius Group

The Profile:

- Commencing 3rd year of the BSc in International Shipping and Trade in 2026 at Copenhagen Business School with excellent academic credentials (top quartile)
- Results-driven and motivated to work with strategy and sustainability in the maritime industry
- Curious and ambitious with a strong drive and a willingness to go the extra mile
- A strong problem solver with the ability to synthesize, simplify and communicate complex topics
- A team player that thrives on succeeding together
- Strong verbal and written communication skills (English)

We offer:

- Steep development curve with exposure to a broad range of tasks and frequent feedback dialogues
- Experience and exposure to senior management
- A challenging and rewarding job with a high degree of responsibility
- A growing organization with strong corporate culture and highly competent and supportive colleagues
- An attractive career path within the maritime industry
- The ability to work in a dynamic and international environment
